

## **Global Portfolio Management - Research**

We have the following job opportunity in our **New York City** office:

### **The Internship Program**

- The program will be 10 weeks and will run from early June through early August
- Weekly work schedule will be 35 hours and follow a hybrid schedule, with 3 days in-office and 2 days remote. All interns will be in-office on Tuesdays and Wednesdays
- Internships will be paid in connection with the academic college year you will be entering in Fall 2025:
  - Freshman & Sophomores: \$23 / hour
  - Juniors & Seniors: \$25 / hour
- During the program, the intern group will attend a series of educational sessions to provide them with perspectives on our company and the broader reinsurance industry
- Training and social activities will be structured into the program, allowing for networking opportunities with peers and colleagues

### **Description**

This role will allow you to gain exposure to the Research function that provides key insights to the Global Portfolio team within TransRe. The Intern's responsibilities and learnings will include, but not be limited to:

- Conducting market research for events that impact the Reinsurance industry such as natural catastrophes, terrorism, cyber security etc.
- Preparation of detailed reports containing research and data findings.
- Organizing and maintaining data repositories through data collection, cleansing and analysis.
- Contributing to our cyber and property model change research projects.

### **Requirements**

- Currently majoring in Mathematics, Physics, Science, Engineering or similar field (or intending to major if not yet declared)
- Preference for experience in programming software (e.g. R, SQL, Python)
- Basic working knowledge of Microsoft Excel (sorting, basic formulas, inputting data, pivot tables etc.)
- Availability to participate in the entirety of the 10-week program
- Ability to work in-person at our offices located at 165 Broadway, New York, NY 10006
